About your practice branding

Please send us an email with with a Jpeg or PNG file suitable for a 12cm wide by 10cm high front page branding space. This will appear on the front page of each issue that we send to you for circulation to your clients. Alternatively, provide us with your logo (in Jpeg format) and your preferred commentary so that we can put this into the space for you.

You may change this at any time – just send us an email with your updates.

Your branding space will be hyperlinked to the website that you provide to us on this form.

Your practice login will appear below your branding. This provides readers with the ability to access resources hyperlinked back to www.tidytax.com.au

Each month we will email your practice issue to the email address you nominate above. You may send the issue on to your database or link this into your web site or otherwise circulate as you wish. The issue provides plenty of resources for your accounting team to engage with your clients and prompt opportunities for value added services.
